

# ST BENEDICT'S SCHOOL

a minimis incipe

Dear Prospective Parents,

I extend to you a very warm welcome to our Open Morning.

The purpose of this morning’s event is to give you a flavour of the academic, co-curricular, pastoral and spiritual life of the School. You will have the opportunity to see all of the Junior School & Nursery and to wander at leisure around each of the classrooms and specialist subject rooms, with teachers and some of our Junior School pupils to talk to as you do so.

The Ark building - a £7m capital project completed 2 years ago - has proven to be an exciting and valuable addition to St Benedict’s and is a truly wonderful facility. As well as visiting the Form rooms, do make sure that you visit the specialist areas, including Art; Computing; French; Games & Physical Education; Music; and Science. There will be two presentations held in the Junior School Hall during the course of the morning, including question and answer sessions.

Finally, I would like to thank you for taking the time to visit St Benedict’s today, and I hope that you will return to pay us another visit in the very near future.

With best wishes,

Mr R G Simmons  
Junior School Headmaster
