1 Introduction

This policy has been drawn up with regard to the DfE publication '*Preventing and Tackling Bullying*' (October 2014) and '*Cyberbullying – advice for headteachers and school staff*' (November 2014).

To fulfil this within the Anti-Bullying we shall endeavour to realise the following:

As a Catholic School inspired by the charisma of the Benedictine Monastic Community, we respect the supreme dignity of each individual and so challenge any form of bullying, as this denies a right to which we are all entitled. The School is committed to carrying out its duties under the Equality Act 2010, including issues related to pupils with special educational needs and disabilities and the requirement to make reasonable adjustments for these pupils.

The School will also work closely with parents and other agencies to act in the best interests of the children in its care.

St Benedict's aims to create an atmosphere in which every pupil has a sense of involvement and in which s/he can develop as a young person of integrity, social conscience and courage.

We live our Mission Statement and recognise and celebrate positive behaviour. However unacceptable behaviour is never ignored.

At St Benedict's everybody has certain **rights**:

- to be valued
- to feel safe
- to learn
- to be respected

And certain **responsibilities**:

- to respect yourself
- to respect others
- to use common sense
- to be supportive towards others

Any behaviour which affects the physical or emotional health and well-being of each child will not be tolerated at St. Benedict's School under any circumstances. It is your right and your responsibility to take a stand on bullying, whether the victim is yourself or somebody else.

All children in our school will be informed about bullying through assemblies, workshops, ICT programmes of study and PSHE and made aware of the effect it has on others. They will be made aware that we are a '**TELLING SCHOOL**' and that they must tell an adult if they or someone else is being bullied and that this is not telling tales.

There are many definitions of bullying, but most have these aspects in common:

- It is deliberately hurtful behaviour;
- It is repeated often over a period of time;
- It is difficult for those being bullied to defend themselves.
- It can be motivated by prejudice against particular groups, for example, on the grounds of race, religion, culture, sex, gender, homophobia, special educational needs and disability, or because a child is adopted or is a carer.

- Bullying results in pain and distress being caused to the victim and could lead to psychological damage and even result in suicide.
- Cyberbullying is bullying that takes place using electronic technology. Electronic technology includes devices and equipment such as mobile phones, computers, and tablets as well as communication tools including social media sites, text messages, chat, and websites. Examples of cyberbullying include mean text messages or emails, rumours sent by email or posted on social networking sites, and embarrassing pictures, videos, websites, or fake profiles.

1.1 Bullying can be:

- Emotional being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures)
- Physical pushing, kicking, hitting, punching or any use of violence
- Racist racial taunts, graffiti, gestures
- Sexual unwanted physical contact or sexually abusive comments
- Homophobic because of, or focusing on the issue of sexuality
- Verbal name-calling, sarcasm, spreading rumours, teasing, banter
- Cyber All areas of internet, such as email, internet chat room and social media misuse
Mobile threats by text messaging & calls. Misuse of associated technology, i.e. camera & video facilities.
- Can happen 24 hours a day, 7 days a week, and reach a child even when he or she is alone. It can happen any time of the day or night.
- Cyberbullying messages and images can be posted anonymously and distributed quickly to a very wide audience. It can be difficult and sometimes impossible to trace the source.
- Deleting inappropriate or harassing messages, texts, and pictures is extremely difficult after they have been posted or sent.

1.2 Recording of incidents

- All incidents are recorded on “MyConcern” within school, which alerts all relevant staff of children involved in the incident and allows staff to be updated throughout the process of dealing with the incident.
- The Assistant Head is responsible for keeping an overview of all incidents. This is intended to foresee any cases of potential bullying and develop a consistent approach to monitoring bullying incidents.

1.3 Who can you turn to if you are bullied?

- Your parents
- Your friends
- Sixth Former whom you trust
- Your Form Teacher
- Head of Key Stage
- The Deputy Head
- The Headmaster
- The Junior School Counsellor
- The School Welfare Officer (Mrs Lawry)
- Any teacher with whom you feel you have a relationship of trust
- Any other adult who works at the School e.g. a School Secretary
- A helpline or website (discussed as part of the PSHE programme of study e.g. NSPCC)
- Through the ‘Worry’ / ‘Are We Living Our Mission?’ boxes around the school

1.4 What can you do if you feel you are being bullied?

1. Tell the bully to stop. Make it clear that the behaviour is unwelcome and hurtful.
2. Seek help. Talk to somebody whom you trust.
3. Report it. St Benedict’s does not tolerate bullying. Trust the School to deal with any incident appropriately.

4. Use the 'Worry' / 'Are We Living our Mission?' boxes found around the school. If you do not know who to turn to first, write your name and the problem down on a piece of paper and post it in one of the boxes. The boxes will be cleared at least 3 times a week and the Pastoral Leader /Designated Safeguarding Lead will make arrangements for your worry/concern to be discussed.
5. Send an e-mail to bullying@stbenedicts.org.uk. Again your problem will be passed on to the appropriate teacher.

1.5 What should the pupils tell an adult?

- Who has been bullying you?
- How long has this been going on?
- How many times has this happened to you?
- Has anyone seen this happen? If so, who?
- Has anyone else been bullied by the same person?
- Have you told anyone else about this before?
- Was anything done about it?
- Have you done anything unhelpful that has not helped the situation?

1.6 What should you do if you know that someone is being bullied?

1. **TELL!** Care enough to take action, whether you are personally involved or not.
2. Intervene at an early stage so that the problem is dealt with before it gets out of hand.
3. Have the courage to report it.

1.7 What can you do to prevent bullying?

1. Respect yourself and others.
2. Try to create a relaxed atmosphere in School for everybody.
3. Do not follow friends when you disagree with what they are doing.
4. Learn to be tolerant and broad-minded and to rejoice in individual differences.
5. Be aware of the School's anti-bullying policy and give it your full support.
6. Often, bullies exclude people. If you are popular and have a positive peer-group, include the victim/excluded child in your activities.
7. Listen to and ask for advice in PSHCE lessons or at any time.

1.8 What assurances can the School provide on bullying?

- We expect a high standard of behaviour at all times.
- We aim to provide a safe and caring environment for everybody.
- We have a policy for detecting, preventing and dealing with bullying.
- We cover bullying issues in our PSHE and ICT lessons, assemblies, workshops, school council meetings etc.
- We have a pastoral care system that provides genuine support to pupils.
- We ensure pupils are clear about the part they can play to prevent bullying, including when they find themselves as bystanders.
- A rigorous ICT Acceptable Use Agreement signed by pupils from Year 3/Lower Prep upwards
- We have a School Counsellor on site.
- The School Counsellor encourages 'Drop-in' sessions every lunchtime from Monday to Thursday.
- We can refer to Ealing Social Care for advice.

1.9 What assurances can the teachers provide on bullying?

- If you have been bullied you are not to blame.
- Nobody deserves to be bullied.
- Everyone is entitled to enjoy School.
- Staying silent solves nothing.

- We are here to help.

1.10 How can parents help?

1. Show a real interest in your child's social life and in School events.
2. Encourage your child to have friends round, to join clubs and to be tolerant and broad-minded towards others.
3. Build up your child's self-esteem by emphasising positive features and accepting individual characteristics.
4. Be vigilant when your child is online. Avoid the tendency to trivialize what they are experiencing. It may not seem like a big deal to an adult that the most popular kids in school made fun of your child's hair or clothes, but it can be a serious blow to the self-esteem of a child or teen.
5. Discuss the School's anti-bullying policy with your child and suggest positive strategies if her/his rights are abused.
6. Do not tell your child that bullying is part of growing up or imply that it is in any way acceptable.
7. Encourage your child to take action on bullying, but do not tell him/her to retaliate either physically or with name-calling.
8. Make sure children are clear about the part they can play to prevent bullying, including when they find themselves as bystanders.
9. Show an example by being firm but positive and not aggressive in your approach to discipline.
10. Confront the possibility that your child may be a bully.
11. If your child is being bullied, please report it – then the School will take action.

1.11 What are the signs to look out for?

- Is unwilling to go to school (school phobic)
- Becomes withdrawn anxious, or lacking in confidence
- Starts stammering
- Attempts or threatens suicide or runs away
- Cries themselves to sleep at night or has nightmares
- Regularly feels ill in the morning
- Shows a deterioration in school performance
- Comes home with clothes torn or books damaged
- Has possessions which are damaged or "go missing"
- Asks for money or starts stealing money (to pay bully)
- Has unexplained cuts or bruises
- Becomes aggressive, disruptive or unreasonable
- Is bullying other children or siblings
- Stops eating
- Is frightened to say what's wrong
- Gives improbable excuses for any of the above
- Is afraid to use the internet or mobile phone
- Is nervous & jumpy when a cyber message is received

1.12 Bullying outside school premises

Teachers have the power to discipline pupils for misbehaving outside the school premises "to such an extent as is reasonable". This can relate to any bullying incidents occurring anywhere off the school premises, such as on school or public transport, outside the local shops, or in the local area. Where bullying outside school is reported to school staff, it will be investigated and acted on. The headmasters will also consider whether it is appropriate to notify the police or anti-social behaviour coordinator in Ealing Local Authority of the action taken against a pupil. If the misbehaviour could

be criminal or poses a serious threat to a member of the public, the police should always be informed.

In all cases of misbehaviour or bullying the teacher can only discipline the pupil on school premises or elsewhere when the pupil is under the lawful control of the staff member.

2 What Disciplinary Structures Exist to Deal with Bullying?

Under the Children Act 1989 a bullying incident should be addressed as a child protection concern when there is 'reasonable cause to suspect that a child is suffering, or is likely to suffer, significant harm'. Where this is the case, the school staff should report their concerns to the local authority of the individual's children's social care. Even where safeguarding is not considered to be an issue, the school may need to draw on a range of external services to support the pupil who is experiencing bullying, or to tackle any underlying issue which has contributed to a child engaging in bullying.

Disciplinary measures will be applied fairly, consistently, and reasonably taking account of any special educational needs or disabilities that the pupils may have and taking into account the needs of vulnerable pupils. The school will also consider the motivations behind bullying behaviour and whether it reveals any concerns for the safety of the perpetrator. Where this is the case the child engaging in bullying may need support.

2.1 Warning

If a pupil is beginning to behave in a manner which could develop into or be interpreted as bullying wherever possible a warning will be given and the incident recorded. We use 'restorative justice' as much as possible to resolve any issues which arise. In this way it is hoped that many potentially serious situations will never materialise. However the warning stage is at the discretion of the School and a pupil involved in a serious instance of bullying will bypass this stage and be placed directly on Stage 1. The Designated Safeguarding Lead will be informed.

2.2 Stage 1

Where, after due investigation the School is satisfied that bullying occurred, it will be explained to the bully why her/his behaviour is unacceptable, and positive strategies (including restorative justice) will be pursued to raise his/her self-esteem as well as to protect the victim.

Parents will be informed and encouraged to discuss the situation with the Headmaster/Assistant Head (Designated Safeguarding Lead). At this point, an action plan will be set up and 'Meeting with Parents' form initiated. At this stage, a referral to social care may be necessary.

It is possible that after a considerable period of time during which the pupils has not only totally desisted from bullying but also given evidence of positive support of and participation in the anti-bullying policy, that pupil will be removed from Stage 1. However, this is entirely at the discretion of the School and a pupil involved in a further instance of bullying will be placed directly on Stage 2.

2.3 Stage 2

If the bullying continues, arrangements will be made to minimise contact between bully and the victim.

Parents will be called into School to discuss the situation and action plan reviewed. A referral to social care may be necessary.

The bully will sign a statement promising that the bullying will not be repeated. It will not be possible to be removed from Stage 2 or any subsequent stage.

It is envisaged that in most cases these two stages will be sufficient.

2.4 Stage 3

Where no improvement in the bullying takes place, the bully will be excluded from School for at least a week. A referral to social care may be necessary.

2.5 Stage 4

As a last resort, and when advice has been taken from Ealing Social Care, it is clear that the bully consistently endangers the welfare of fellow members of the School community, s/he will be permanently excluded from St Benedict's. *(Please see the Safeguarding/ Child Protection Policy for procedure for dealing with the deletion of a pupil from the school register)*

3 The Pre-Prep Department

It is our aim to provide an environment of co-operation, respect for self and others and the total rejection of any form of aggression. To achieve this:

- Many opportunities are provided for the children to work and play co-operatively;
- Effective use of resources, grouping and learning areas develop social relationships and positive attitudes;
- All staff in the Pre-Prep department provide a role model of how to build a relationship based on mutual respect and value;
- A clear distinction is made between acceptable and non-acceptable behaviour and 'rules' are applied fairly and consistently;
- Children need to develop an awareness of the 'rules' as not understanding them leads to negative responses because the children cannot identify why they are being reprimanded.
- Appropriate positive behaviour in the Pre-Prep is promoted with reward stickers and praise.
- Children will not be allowed to play mock fighting games.

If an issue arises in the Pre-Prep classes, this will be dealt with by the Form Tutor and Head of the EYFS (Designated Safeguarding Lead) or Head of Key Stage 1, in the first instance. If there is a serious or persistent problem the Headmaster or Deputy Head should be consulted.

4 How Can the School Help a Child Who Has Been Bullied?

Staff will support all pupils who are bullied. This means being alert to the effect any form of bullying can have and being especially alert to where it may have a severe impact.

The nature and level of support will depend on the individual circumstances and the level of need. These can include:

- A quiet word from a teacher that knows the pupil well., especially if they feel under pressure
- To find them a buddy.
- Asking the pastoral team (Assistant Head, Designated Safeguarding Leads, and SBJS Counsellor) to provide support.
- Providing formal counselling with agreed referral from parents.
- Engaging with parents to make a referral to local authority children's services, completing an EHAP (Early Help and Assessment Plan) or referring to Child and Adolescent Mental Health Services (CAMHS).
- To arrange a phased return to school.
- To find them things to do at break and lunchtime so they are not alone.

The School will do all it can to ensure bullied children continue to attend school. In addition to the examples of support listed above, this could include using separate on-site provision that provides respite for bullied pupils, whilst maintaining their educational progression. It is important that this

support goes hand-in-hand with measures to tackle the bullying so that bullied children feel safe at school, and on their way to and from school.

5 Raising Awareness

The School will raise governor, leadership and staff awareness through appropriate training so that the principles of school policy are understood, legal responsibilities known, action is defined to resolve and prevent problems, and sources of support are available.

Where appropriate, the School will invest in specialised skills to understand the needs of their pupils, including those with special educational needs or disabilities, and lesbian, gay, bisexual and transgender pupils.

Using educational elements such as PSHCE (personal, social, health and citizenship education), assemblies, projects, drama, stories and literature, there will be opportunity for the discussion of differences between people and the importance of avoiding prejudice-based language.

There are a number of charities listed below that give support to schools on bullying and managing difficult behaviour. (These charities are linked to some of the successful strategies mentioned).

Kidscape

Provides advice for parents, guardians or concerned relatives and friends of bullied children.

2 Grosvenor Gardens, London, SW1W 0DH

6 **Review**

The Headmaster and all the staff of our school community view bullying as a very serious matter. We will keep this policy under regular review. This policy will be reviewed by Senior Management Team during the Trinity Term 2019. **The Board of Governors will note any amendments that have been made to policy and practice and give formal acknowledgement of said amendments at the next SBSE Board meeting.**

Records will be kept to evaluate the effectiveness of the approach adopted to combat bullying or to enable patterns to be identified.
