Fees Insurance

The final Insurance available is cover for fees in the event that a family experiences the tragedy of terminal illness or death of a parent. Should this occur in one of our families, the School would try to assist but sadly, there is not always enough funding for a child to remain with us. To secure long term provision of school fees, some parents have taken out Insurance. The School does not recommend a specific company, but I would like to make you aware of the School Fees Trust Scheme, which is administered by SFS (Endsleigh Group) and provides this cover. If you are already a member of this scheme, your cover will continue, you don't need to do anything.

Please don't hesitate to contact the Bursar's Office if you have any queries.

Yours sincerely,

Catherine Bedwin
