1 Policy

For pupils to benefit fully from the educational opportunities provided by the School, they must have high levels of attendance and punctuality. Ineffective registration or poorly executed follow-up procedures can increase the risks of truancy and educational under-performance, which can negatively affect person or/and social development among pupils. A child going missing from school is a potential indicator of abuse or neglect or in itself may indicate that a pupil is at risk of significant harm. Consequently, attendance and registration arrangements are hugely important and must be seen to be regarded as such by pupils, parents and staff.

2 Aims

A key characteristic of a Benedictine School is 'Discipline of Daily Practice'. This recognises that all people but especially children benefit from a regular and ordered life. This policy therefore promotes high levels of attendance and punctuality of pupils at the School.

3 Statutory Framework

The legal framework governing school attendance is summarised in *School attendance: Departmental advice for maintained schools, academies, independent schools and local authorities* (2013), published by the Department for Education (DfE). The School also complies with guidance published by the Independent Schools' Inspectorate (ISI) and advice published by the London Borough of Ealing.

4 Responsibilities of Parents

Parents with a child of compulsory school age have a legal duty to make sure that their child receives effective full-time education. Children must be in some form of education or training from the term after a child's fifth birthday up to their eighteenth birthday.

Parents are responsible for informing the school on any occasion when their daughter or son is unable to attend due to illness, or a medical appointment, providing the reason for their daughter or son's non-attendance. This should be done by emailing attendance@stbenedicts.org.uk or jsattendance@stbenedicts.org.uk or by telephoning 020 8862 2000 (SS) / 020 8862 2050 (JS). This should be done as far as possible in advance and at the very latest by 8.40am on the morning of the absence, by which time pupils must be on site.

Parents wishing to take their daughter or son out of school for exceptional reason, such as attending a funeral or wedding or religious observance, must seek authorisation for the absence from the School by writing to the Headmaster. The Headmaster will confirm whether the circumstances meet the definition of 'exceptional circumstances' for which leave of absence may be granted by the School. Where parents fail to ensure regular attendance, the School has a duty to contact Ealing social services, as a failure to enforce attendance is a safeguarding concern.

When parents/guardians are to be away from home overnight during term, they are required in the contract with the School to inform us of the name and contact number for a temporary guardian. This information should be provided to the Form Tutor/Tutor, and should be copied to the relevant Head of Key Stage/Head of Year.

5 Responsibilities of Pupils

Pupils have a responsibility to attend school when they are fit and well and to arrive at school in time for registration (morning and afternoon) each day during term time.

If, for any reason a pupil needs to leave the School site during the School day, their parent must contact the Form Tutor/Tutor or the attendance email address in advance of this or their child must bring in a note from their parents requesting this absence and giving the reason why. This should be handed to their Form Tutor/Tutor during morning registration. The Form Tutor/Tutor or School Office will then update SIMS regarding the absence. The School Office will not allow any pupils/students to exit School during school time, without prior consent from the parents.

Failure to attend school regularly or punctually or failing to attend registration without good reason constitute breaches of the Code of Conduct and may lead to formal disciplinary action being taken.

6 Responsibilities of the School

The School has a responsibility for taking and maintaining an accurate School Register of all pupils twice each day throughout term time: once at the beginning of the morning session and once in the second (afternoon) session. Every entry in the School Register must be preserved for a period of three years after the date on which the entry was made. Likewise, a back-up copy of the SR will be retained for three years.

Academic staff in the Senior School also take registers of each academic lesson.

If a pupil/student is regularly absent for medical reasons such that attendance falls below 90%, the Head of Key Stage / Head of Year will generally ask for any further absences to be accompanied by a doctor's note or other medical evidence to support the absence.

The School will inform the LEA of any pupil who fails to attend school regularly without the School's permission.

The School will also inform the relevant LEA and/or Children's Social Care (CSC), as appropriate, immediately if:

- A single absence raises child protection concerns (see Child Protection and Safeguarding Policy)
- A pupil has any unexplained **unauthorised** absence.

- A pupil of compulsory school age is to be deleted from the school register when the next school is not known. In this last case, the School is required to report the circumstances, as soon as possible after the grounds for deletion are met, to the LEA in which the pupil lives and in any event before the pupil's name is deleted from the register.

7 Registration Procedure

The Form Tutors/Tutors have primary responsibility for registering their tutees in the morning and following up absenteeism and lateness. Form Tutors / Tutors / Subject Specialists will take the attendance register at the start of each session of each school day during the AM Registration Period and during the PM Registration Period.

In the morning, pupils should be at school by 8:30, so that they are punctual for morning registration at 8:40 in their Form Rooms.

- Pupils in Years R-6 (Reception – Form 2) arriving late (after 8.40am) should go directly to the JS Reception.
- Pupils in Years 7-11 (Third Form – Upper Fifth) arriving late (after 8.40am) should go directly to the SS School Reception and sign in there.
- Sixth Form students arriving late should enter via the Sixth Form entrance as normal but must register with the Sixth Form Administrator.

If there is no explanation for absence, a text will be sent to the parents by the School Reception in the morning, alerting them to their daughter or son's absence. If no contact is received from parents to explain the absence, a phone call will be made to the Parents, and if there is still no contact they will inform the Deputy Head. The Sixth Form Administrator will do this. The register for the morning session closes by 9am. Pupils and students arriving after this time will be marked absent for the am session.

The Deputy Head will contact parents within 24 hours, and ideally on the same day, if a pupil/student is missing without an explanation and if the parent has still not responded to the School.

Senior School Games registers are taken at 1.30pm by Tutors in form bases for pupils/students in Years 7-11. Sixth Form students are registered by their games teacher at the start of the games session.

For St Benedict's School the registration codes used are as follows:

- / Present AM
- \ Present PM
- N** Absent with no reason yet provided

Absences related to School activities should be recorded as follows:

- V** Educational Visit
- P** Approved sporting activity

- D Approved on-site activity
- S Study Leave
- G Off Games (only to be used if off-games but on-site)

Where the School receives clear notification from parents, other absences may be recorded as follows:

- A Medical or dental appointment
- M Illness
- I Interview
- R Religious observance
- H Holiday
- C Other authorised circumstances

Appendix one: attendance during the ongoing Covid epidemic

This is following government guidance on [recording attendance in relation to coronavirus \(2020\)](#) and is for use in the academic year 2020-21.

Usual attendance expectations will apply from the start of the academic year as explained in the rest of this policy with a number of exceptions for circumstances where students/pupils cannot attend school due to coronavirus. If one of these circumstances apply then that student/pupil will be given the non-attendance category :

- X Not-attending in circumstances related to coronavirus

This new category does not count as absence for statistical purposes to ensure that parents are not penalised. In effect it applies to any absence from school because of concerns about coronavirus but CODE X DOES NOT APPLY TO ABSENCE DUE TO ILLNESS CAUSED BY CORONAVIRUS WHICH WILL CONTINUE TO BE MARKED WITH AN M AS WITH ANY USUAL ILLNESS.

In line with government expectations, St Benedict's will offer access to education remotely via Microsoft Teams to pupils not attending school due to circumstances related to coronavirus. Engagement with remote learning will not be formally registered, but will be recorded and monitored.

Collection of school attendance data will resume in January 2021 with collection of data for autumn term 2020. Circumstances in which 'not attending in circumstances related to coronavirus' could apply:

Pupils who are required to self-isolate as they, or a member of their household, has symptoms or confirmed coronavirus - [stay at home: guidance for households with possible or confirmed coronavirus \(COVID-19\) infection.](#)

Code X should be used for school absence for the period of self-isolation until a coronavirus test is completed and the result is known. If the test is negative, the pupil can return to school if they feel well and no longer have symptoms. If the test is positive or the student feels unwell even following a negative test then they should be recorded from that point as M as for any usual illness. If a pupil does test positive, they should self-isolate for at least ten days from the onset of symptoms and only return to school if they do not have symptoms (other than coughing or loss of sense of smell or taste

– anosmia – as they last for weeks after the infection is gone

If someone in the student’s household has symptoms, the whole household should self-isolate and that member of the household take a test. Again, code X should be used until the time at which this test is taken. If the next is negative, the pupil can stop self-isolating and return to school. If the household member tests positive, the pupil should continue to self-isolate for the full 14 days from when the member of the household first had symptoms with code X being used for this period of absence.

In all cases of self-isolation, parents must inform St Benedict’s of the outcome of a test, but we will not require evidence of a negative test result or any other medical evidence before admitting pupils back to school.

Pupils required to self-isolate because they are a close contact of someone who has symptoms or confirmed coronavirus – [NHS test and trace guidance](#)

Pupils must self-isolate for 14 days if they have had recent close contact with someone who has tested positive for coronavirus. If this happens in the St Benedict’s community, the local health protection team will advise us who must self-isolate. Code X should be used for these pupils during this period of isolation. If a pupil does show symptoms of Covid then they must follow the guidelines explained above and will be registered as appropriate.

Pupils required by legislation to self-isolate as part of a period of quarantine - [how to self-isolate when you travel to the UK](#).

Parents should, as usual, plan holidays for school breaks, but even then may end up needing to self-isolate during term time following trips overseas that require a period of quarantine. Code X should be used if a pupil is required to be in quarantine when returning to the UK. If a pupil does show symptoms of Covid then they must follow the guidelines explained above and will be registered as appropriate.

Pupils who are clinically extremely vulnerable in a future local lockdown - [guidance on shielding and protecting extremely vulnerable persons from Covid-19](#).

From 1st August, shielding advice paused so that all pupils on the shielded patient list can return to school as can those who have family members who are shielding. If parents or students still have concerns about attendance, they must contact the school to discuss this. Each case will be considered on an individual basis. If rates of Covid rise in the local area, shielding may return as well and families will receive a letter if they are required to shield again. Parents need to share this letter with St Benedict’s and again in this case non-attendance will be recorded with a code X. When that local lockdown is paused, again code X will stop being used for this absence and St Benedict’s will contact the parents of all shielding pupils to say that they can return to school.

Local lockdown

If Covid rates rise locally, St Benedict’s might need to follow PHE or DHSC guidance in preventing some or even all pupils from attending school. Code X will be used for pupils who are asked not to attend school in these circumstances.
