## 1. Awareness

Information provided by the School alerting the parents of potential applicants to the possibility of gaining scholarships is included in:

- Communications to parents of existing pupils.
- Admissions Information document.
- The School website.
- School Open Mornings.

## 2. Academic Scholarships

Scholarships are offered to attract applicants of high potential to the School and are available to both internal and external candidates at 16+ and 11+ entry points.

At the discretion of the Headmaster, existing pupils who show considerable academic promise and have a track record of excellent academic performance may also be invited to sit the 16+ scholarship assessments.

Students entering the Sixth Form at age 16+ who wish to be considered for an academic scholarship must register for and sit the Scholarship Examination. As a guide in deciding whether or not to apply, it is likely that successful applicants will be predicted to achieve a minimum of six Grade 8's at GCSE including, where appropriate, those subjects they intend to study at A-Level. A scholarship award is, first and foremost, an honour to the recipient, however in most cases a remission of 10% will be offered toward fees.

### *The Application Process for 11+ Academic Scholarship*

- **Step One.** All pupils registered to sit the 11+ assessments will automatically be considered for an Academic Scholarship.
- **Step Two.** In the year preceding entry to the School, the completed St Benedict's Registration Form should be returned to the Registrar by the advertised registration closing date.

## **7. Removal or Withdrawal of Scholarship**

In all cases, the continuation of a Scholarship Award is also dependent upon the recipient making satisfactory academic progress and exhibiting appropriate behaviour and attitude. If, in the opinion of the Headmaster, a Scholar is not making satisfactory academic progress or exhibits poor behaviour or attitude, a warning will be issued. As a last resort, after due warning, the Headmaster reserves the right to withdraw a Scholarship.

A Scholar who wishes to withdraw himself or herself from the Scholarship programme, must provide the Headmaster with a full half term's notice, in writing. Parental consent is also required in this instance.
